When to Call TelaDoc™

Call **TelaDoc™** whenever you need non-emergency medical assistance. Take advantage of the convenience of accessing a physician 24/7, 365 days a year. Call **TelaDoc™** when:

- You cannot reach your primary care physician, TelaDoc does not replace your primary care physician
- It is after your doctor's normal hours of operation
- You are on vacation or a business trip
- You need your recurring prescription filled and don't have time to go to your doctor's office (short term only)
- You need medical attention that might be resolved without seeing your primary care physician
- You have medical questions, medical issues, or concerns
- You need a second opinion

TelaDoc™ is not an insurance product or a prescription fulfillment warehouse. *TelaDoc does not prescribe narcotics. TelaDoc physicians reserve the right to cancel membership at any time.*
